# » MESSAGE FROM OUR MANAGEMENT DESK

Under the leadership of **Mr. Varun, Mr. Akhil, and Mr. Nikhil**, EVTL India delivers a seamless single-window compliance experience driven by integrity, dedication, and commitment—ensuring adherence to global quality standards, **proactive risk management, and trusted business growth.**

## **Mr. Varun Singh (Director)**

A strategic leader with deep regulatory expertise, **Mr. Varun Singh** specializes in navigating India's complex certification landscape. He ensures seamless compliance for **global brands by transforming technical hurdles** into efficient, single-window solutions.

## **Mr. Akhil Singh (Director)**

A dynamic specialist in electronics and communication regulations, **Mr. Akhil Singh** ensures seamless market entry for businesses through **expert oversight of EPR, WPC, CRS, and TEC certifications.**

## **Mr. Nikhil Singh (Sales Director)**

As Sales Director, **Mr. Nikhil Singh** drives business growth by leading the **ISI and FMCS departments**, empowering **global and domestic brands** to achieve excellence in the Indian market.

# » LET'S SEE OUR VISION & MISSION

## Company Vision

- **Global Impact:** To create a global impact through cutting-edge services in Standardization, Testing, and Compliance.
- **Trust & Reputation:** To build, protect, and enhance organizational reputation by staying ahead of global trends.
- **Customer First:** To always prioritize a 'Customer First' approach to deliver exceptional results.

## Company Mission

- **Quality Excellence:** To delight customers with efficient and high-quality services in conformity assessment and testing.
- **Core Values:** To work with Integrity, Dedication, and Commitment to ensure the best for our clients.
- **Risk Mitigation:** To help businesses mitigate risks and seize opportunities for sustainable growth and innovation.
- **Superior Service:** To provide superior customer service through continual improvement and work optimization.

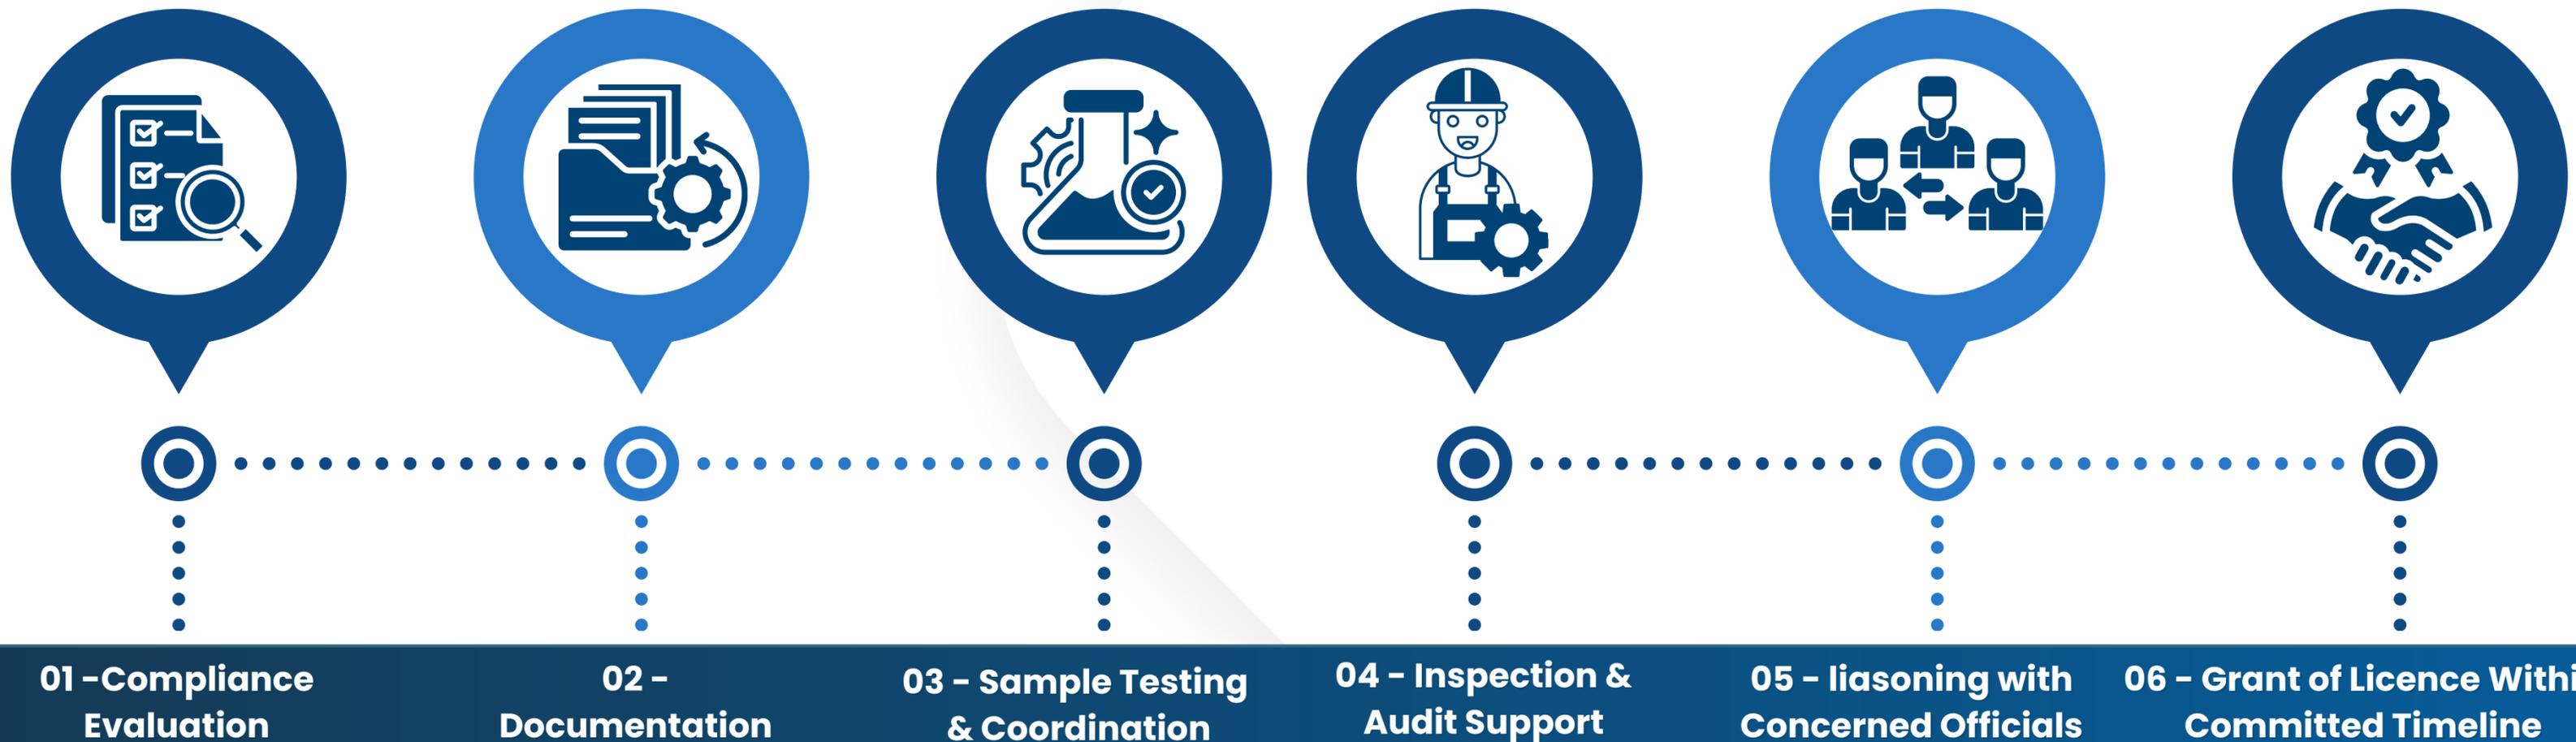

# » Our Expertise

## KEY PROCESSES OF EVTL INDIA

**EVTL India** offers end-to-end support for **compliance evaluation, documentation,** and sample testing coordination to ensure that **products meet all applicable regulatory standards.** We provide complete assistance during **inspections and audits,** along with effective **liasoning with concerned officials** to ensure smooth communication and faster processing. Our structured approach helps ensure the **grant of licence within the committed timeline,** delivering a **hassle-free and efficient certification process.**

# » HOW WE WORK

## Project Management Framework at EVTL India

- At **EVTL India**, quality-driven processes form the backbone of **our project management** approach. Our encrypted internal **systems and CRM** enable transparent client communication, real-time project updates, and timely alerts on regulatory developments. With clearly defined milestones and continuous **project tracking, our operations team ensures timely** completion without compromising service quality.
- We ensure **complete security of our clients' data and maintain strict confidentiality at all times**. We also sign NDAs to ensure a smooth, transparent, and secure workflow.  
**Quality in Service is Our First Priority .**

Project ID	Project Name	Start Date	End Date	Progress	Status
